

Feedback Assignment

Please list the value of the question you are answering in parenthesis (# points).
You may choose any combination of questions however; it must be equal to or more than 10 points and have one question from each group below.

One - Point Questions:

1. **Make a list of facts you learned from your research (*minimum 5*). Explain their importance.**
2. **List 5 Vocab learned in research. Include dictionary pronunciations, meanings & a picture for each.**
3. **During what time period was your data taken from? Draw a portrait of that era & make a timeline.**
4. **Does the issue occur nationally or internationally-*explain*? Draw geographical map w/labels in region.**
5. **List 3 websites that you found most helpful, what you gathered from each, & explain importance.**

Three - Point Questions:

1. **What lesson(s) have you learned from your research? Explain & create similes for each. (3+)**
2. **Do you recommend more of these assignments be given to MS students? Explain & give 3+ examples.**
3. **What changes would you make to your research project? (*reflection & analysis of 3+*)**
4. **What changes would have to be made if the issue occurred 200 years ago?**

Five - Point Questions:

1. **If your issue occurs in a foreign country, compare that country to the US using a double-bubble map.**
2. **In a paragraph, state the main idea of the problem and write a paragraph on your views.**
3. **Write a poem or song about your topic. Be very detailed & descriptive. Draw a cover for it.**
4. **How did you feel while you were researching the topic? (*Beginning, Middle and End*)**
5. **What were the most interesting facts of your research? (*min. 5*) Explain why.**
